

**FEDERAL CONSTITUTIONAL COURT
OF PAKISTAN**

Islamabad, 28th March, 2026.

PRESS RELEASE

EARTH HOUR 2026

The Federal Constitutional Court of Pakistan, being the apex judicial forum of the country, is pleased to announce its participation in **Earth Hour 2026**, a global initiative aimed at raising awareness about climate change and environmental protection.

In solidarity with this worldwide effort, the lights of the Court Building shall be switched off today, 28th March, 2026, from **8:30 PM to 9:30 PM**, as a symbolic gesture to reaffirm the Court's commitment towards environmental sustainability.

At a time when environmental degradation poses serious threats to human life and ecological balance, the Federal Constitutional Court of Pakistan recognizes that environmental protection is intrinsically linked with the concept of environmental justice, which forms an essential component of the rule of law and protection of fundamental rights. The Court remains fully committed to promoting and upholding environmental justice in all its dimensions. In order to address environmental challenges, the Court also emphasizes the need for adopting comprehensive measures, including reduction of industrial pollution, prevention of deforestation, improved waste management, and enhancement of air quality.

By observing **Earth Hour 2026**, the Federal Constitutional Court of Pakistan reiterates its unwavering commitment to a cleaner, greener, and more sustainable future for present and coming generations.

This issues with the approval of the Hon^{ble} Chief Justice, Federal Constitutional Court of Pakistan.
